IMPROVEMENTS OF THE METROPOLITAN

The Meat Company Building a Great Cold Storage Plant.

When the Metropolitan Meat Company has complete the improvements to its market it is now making, it will have a magnificent plant for furnishing Honolulu with the best eatables afforded by the countries of the world.

Alongside of the present market-house a fire-brick building has been erected and a system of refrigerating machinery installed therein which will be fully finished within a few weeks. A boiler of twenty-five horsepower furnishes the energy for the Linde engine which runs the ammonia process.

This engine is the same as used by Swift & Co. in the United States, where they have the exclusive rights for it, but it is also used in Australia and on the liners Warrimoo, Miowera and Aorangi. In the immense salesroom will be a row of refrigerators in which will be kept the meats for daily sale, and this room will be united with the existing market. The two great windows fronting on King street will be refrigerators with plate glass fronts showing the choicest products retailed by the company.

Manager Walker says that the company will still retain its big refrigerating rooms at the Hawaiian Electric Company's plant but that the new improvements will allow them to keep at the market a complete supply and avoid the sending to the electric company's place so often.

GOLF AT MOANALUA.

Bad Weather Has Made Playing Dull These Days.

Owing to the unpropitious weather the January sweepstakes of the Honolulu Golf Club did not come off on the 13th as per schedule.

A number of members showed up on the links at Moanalua, however, and two exciting foursomes were played which resulted as follows:

Messrs. D. W. Anderson and W. W. Thayer defeated Messrs. Gardie and Donald Ross; seven up and six to play.

Messrs. R. Anderson and Munro defeated Messrs. McIntyre and Cullen after an exciting contest by one hole on the last green.

The record for the course, which is an 18-hole one, is held by D. W. Anderson, who has made the circuit in 91.

HERPICIDE

All Ladies like soft, thick, glossy hair

Such as NEWBRO'S HERPICIDE produces, because they realize that it increases their beauty fully 100 per cent. All ladies who wish to give NEWBRO'S HERPICIDE a trial will soon become convinced of this fact, because, by destroying the dead, dry hair at work up on the hair root, it makes dandruff, falling hair and thin, brittle hair impossibilities.

Gentlemen find it equally as valuable, for it works like a charm, even up on bald heads.

HELD FOR FORGERY

Saffrey is a Federal Prisoner.

MANY ESTATES PROBATED

Carson Collision Case Again in the Court--Court News From Hilo.

Thomas Saffrey, employed as janitor in the Navy paymaster's office, was brought before United States Commissioner W. J. Robinson yesterday morning in the office of District Attorney Baird on a charge of forgery. Saffrey waived hearing and was remanded, in default of \$3,000 bail, for appearance at the next term of the United States District Court.

Saffrey was arrested by Policeman Sea and taken to the station upon the supposition that he had forged a draft on the Assistant Treasurer of the United States for \$15.50. The blank upon which the forgery was committed was torn out of a book in consecutive order of the numbered blanks, and this fact enabled the assistant paymaster to give warning to all of the banks and stop the payment.

The draft is drawn in favor of Mr. McWille, clerk to the assistant paymaster, and it is here that the forger made his first mistake. Instead of spelling the clerk's name properly, it is written "McWille." Then "Asst." is written before "Eugene F. Hall," instead of before the engraved words "Paymaster, U.S.N." The blank where the object for which the draft is drawn is filled in with the words, "For one week working."

This crude piece of forgery was taken to the Yokohama Specie Bank, where it was immediately detected and payment refused. The arrest followed.

CLAUDINE-CARSON CASE.

The bonds on appeal in the Claudine-Carson cases were approved yesterday by Judge Estee with the consent of both parties, represented by Attorneys Neumann and McClanahan. The Claudine bond is for \$15,000, and the bond for the Carson is for \$2,000. Owing to much in the testimony that was doubtful, McClanahan was led to make a request for leave to correct the record. It seems that when the case was on trial before Judge Estee some of the testimony from the Hawaiian Circuit Court was introduced by stipulation. During the reading Judge Estee would occasionally interject a question or remark which would be taken down by the reporter as "by the court," that being the usual formula. A transcription of the record leaves one in doubt as to whether Federal Judge Estee or Circuit Judge Sullivan is intended. Judge Estee ruled yesterday that he could not make any corrections where no exceptions were taken, but he acceded to the request far enough to dictate the insertion of certain explanatory notes.

COURT NOTES.

In the estate of W. R. Sims, deceased, Katy Ellen Sims has been appointed administratrix under \$100 bond. Kelona, a native, has been sued in the Circuit Court by Kwong Mow for ejectment. In addition he may be compelled to pay the sum of \$1,500 to Kwong Mow as a bail for his injured feelings. Mow avers that Kelona has for years unlawfully occupied a piece of land in Punaia, Koolaula, this island, embracing about nine acres. Attorney Brooks will appear for the plaintiff.

Gehring & Butzke, plumbers, have brought suit against W. W. Ahana, the Chinese tailor, for the recovery of \$2,885.15. The plaintiffs claim that this sum is due them for material furnished and labor expended on fifteen frame buildings of this city, constructed on land owned in fee simple by the defendant.

The United States Grand Jury will convene in Hilo on January 18th to formulate a complete report of its business before handing it in to the court.

In the case of Territory of Hawaii vs. Alex. Reinhart, Frank Kaiser and Charles Anderson, for murder in the first degree, the Grand Jury at Hilo failed to find an indictment and the defendants were discharged by the court. Several criminal cases were tried but very few convictions resulted.

Mary de Medeiros, administratrix for the estate of Manuel Medeiros, deceased, filed an inventory of the property of the estate in the United States District Court showing that the assets consisted of one piece of land 100 by 100 feet at Kalihi, together with all improvements, and valued at \$1,500.

J. M. Bevas of this City was admitted to practice in the United States Courts yesterday. Bevas is an old resident of Honolulu, being employed as court interpreter about twenty years ago.

James Lern and Frank Andrade, both of this City, were admitted to citizenship yesterday before United States District Judge Estee.

Lau Yin and Lau Fong were appointed administrators yesterday for the estate of Lau Tseung, alias Lau Chong, deceased. A bond of \$25,000 will be required and an inventory of the estate must be filed within thirty days.

The estate of August Kraft was admitted to probate yesterday in the United States District Court and W. L. Howard appointed administrator. His bond was fixed at \$5,000.

In the estate of James Hutchings, deceased, T. L. Waldron was appointed administrator. A bond of \$12,000 will be required and the inventory must be filed with the clerk within the next thirty days.

Mary Jane Church was appointed administratrix for the estate of W. C. Clench and will be obliged to furnish a bond of \$1,000.

The Chinese interpreter sent to Hilo a few days ago returned on the Kinau, there being no case where his services were required.

A PROMINENT CHICAGO WOMAN SPEAKS.

Prof. Rosa Tyler, of Chicago, vice president Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Benson, Smith & Co., Ltd., wholesale agents.

IS QUALITY

then no consideration?

Even if "all coons look alike," certainly they are not all the same quality.

Can anything be more true than this concerning jewelry or silver goods? How many pieces made in the same pattern, from the common plated ware to the finest of gold, bear the same outward resemblance?

Can you tell them apart? Yet you do not wonder that there is some difference in the cost of making.

Is it not here where the guarantee and the reputation of the dealer is your safeguard?

This fall's productions embrace some striking examples in the better class of ornaments.

Magnificent brooches and pendants set with the different gems. The "Art Nouveau," so popular at the Paris Exposition. Highly artistic and individual. Not the kind turned out by the yard.

We have all the high-class gold and silver novelties to be found anywhere, and believe it possible to meet all requirements for goods in our various lines.
